Fellow Knights,

First, thank you for volunteering your time to help out with the annual coat drive. If I have you on here by mistake, thank you for now volunteering! The intent of this email is to lay out our basic scheme of maneuver (sorry for the Army terms) and level the bubbles for roles/responsibilities for everyone. If your schedule has changed and you can no longer do this, please let me know and we will ask a sub to stand in for you.

Overall Scheme of Maneuver

We will collect coats from September 8th through the 29th. There will be collection boxes located behind the last pew in the church and at the BSM School. We have a third wooden box that we can put somewhere else if anyone has an idea. We will also man a table outside of the church following mass in order to collect additional coats and any cash donations. Collected coats will be consolidated in marked boxes at the Lyceum gym stage. Once a week we will take the coats to Zip Cleaners (Richmond HWY) for dry cleaning with follow on donation to Saint Josephs.
