## REV. TADEUSZ PACHOLCZYK

Father Tad currently serves as the Director of Education at the National Catholic Bioethics Center in Philadelphia. As an undergraduate Fr. Tad earned degrees in philosophy, biochemistry, molecular cell biology, and chemistry. He writes a monthly newspaper column on bioethics that is nationally syndicated to more than 40 diocesan newspapers in the U.S. He has done commentaries for numerous media outlets, including NBC Nightly News, CNN International, ABC World News Tonight, National Public Radio, the Wall Street Journal, the Dallas Morning News, and the New York Times.
